GOWANS'S ART BOOKS

Oct. 1st, 1910

Messrs. GOWANS & GRAY ask with confidence for the continued support of this undertaking by lovers of art. It is their hope to be able to cover the whole field of classic painting by including all important artists who were born before the year 1800, and the preparation of new volumes is being carried on steadily and systematically with this end in view.

As new editions of earlier volumes are called for, improvements are made when considered advisable: newly discovered pictures are inserted, and opportunity is taken to discard inferior pictures if others of superior merit are found to be obtainable.

The publishers hope to accelerate the issue of the series by publishing future volumes at the rate of at least twelve yearly, and their efforts will be very much assisted if those who appreciate the books will place standing orders, "till further notice," with their booksellers.

They beg to announce the following, with approximate dates of issue:

39. THE MASTERPIECES OF BOUCHER [*Oct.*, 1910
40. THE MASTERPIECES OF CONSTABLE [*Oct.*, 1910
41. THE MASTERPIECES OF UCCELLO, VENEZIANO, MASACCIO, AND CASTAGNO [*Oct.*, 1910

NO complete and satisfactory "Catalogue raisonné" of the pictures of Morland, discriminating authoritatively between genuine and spurious works, yet exists, but the utmost care has been taken, by the comparison of the various writers on the subject and the noting of prices fetched at auctions, to exclude any pictures of which the authenticity could be questioned.

The Publishers are under considerable obligations to the private owners of most of the pictures, and to Messrs. George Bell & Sons and Messrs. Seeley & Co., for permission to reproduce them.

TURNER'S
"LIBER STUDIORUM"

MINIATURE EDITION

Containing, not only the 71 published plates, but also reproductions of all the unpublished plates as the artist left them.

This little volume is indispensable to all readers of Ruskin. It does what has never been done before, it provides reproduction of the unpublished plates which Ruskin often refers to, and it does this at a price unprecedented for cheapness. The illustrations are printed in our best style on the finest of papers
